AHP's Commitment to Quality

This niche area is highly specialized and complex due to numerous reporting requirements and constant changes in governmental regulations. If your company is subject to a plan audit, you want a firm you can trust to provide a quality, efficient audit and help you minimize your risks. We are that firm.

AHP honors our commitment to increase our clients' wealth of knowledge and resources by being industry experts. Our professionals stay up to date on current Department of Labor (DOL), Financial Accounting Standards Board (FASB), and Governmental Accounting Standards Board (GASB) reporting requirements and issues. AHP is registered with the Public Company Auditing Oversight Board (PCAOB) and is a member of the AICPA's Center for Audit Quality. AHP consistently receives unmodified peer review reports with no comments, the highest level achievable. In addition, AHP is a member of the AICPA's Employee Benefit Plan Audit Quality Center (EBPAQC).

What does all this mean for our clients? It means that you can be confident in AHP's commitment to delivering a quality audit. AHP's membership in these organizations mean that we have access to most up-to-date guidelines, tools, and best practices.

Relationships that Benefit Our Clients

Another significant resource for AHP is its related entities, AHP Benefits LLC and AHP Financial Services Inc. (AHPFS). Both perform different types of employee benefit plan administration and consulting services. The professionals at AHP Benefits and AHPFS provide AHP with additional technical expertise related to employee benefit matters and keep AHP professionals up to date with employee benefit matters. In addition, for clients who are not subject to ERISA requirements, we provide regulatory, tax, and business consulting services.
